BIRMINGHAM AND MIDLAND EAR AND THROAT HOSPITAL

NINETY-FIFTH ANNUAL REPORT

THE Committee of Management have pleasure in submitting the Ninety-fifth Annual Report of the Hospital, together with the Income and Expenditure Account for the year ended 31st December, 1939.

The following table gives particulars of the past four years' work :

<i>Year</i>	1939	1938	1937	1936
In-Patients	2202	2535	1528	1643
Day Ward Patients ..	—	—	230	320
Operations	1712	2532	1605	1785
New Out-Patients ..	8078	8739	8373	7468
Out-Patient Attendances	41716	42792	43511	42160

Casualty Cases	1840	1441	1327	1030
Dressings	13608	11561	12445	11333

IN-PATIENTS.

There was a decrease of 333 in the number of in-patients treated in 1939, as compared with 1938.

The daily average number of in-patients was 57·84 compared with 62·42, and the average stay 12·4 days as against 11·68 days. The large decrease in the number of patients treated is due to the fact that owing to the outbreak of hostilities, at the request of the Ministry of Health, the Hospital was closed for the admission of ordinary list cases from 26th August to 28th October, 1939. During this period only very urgent cases requiring immediate operation were admitted. The Hospital now is working at normal capacity.

OUT-PATIENTS.

The number of new out-patients registered during 1939 was 8,078, and the attendances 41,716, as compared with 8,739 new cases and 42,792 attendances in 1938. The number of old cases treated during the year was 17,000, as against 18,812 in 1938.

<i>Year</i>	<i>New Cases</i>	<i>No. of Attendances</i>
1919	9452	25536
1929	9838	34885
1939	8078	41716

PRIVATE CASES.

The number of patients admitted to the private wards during 1939 was 242, as compared with 269 admitted the previous year. The daily average beds occupied was 4·67, and the average stay of each patient, 7·12 days, as compared with a daily average of 4·49, and the average stay of each patient 5·92 days for 1938.

RECOVERY HOME.

The number of patients transferred last year from the main Hospital to complete their cure at the Recovery Home was 269, as compared with 317 patients in 1938. The daily average of beds occupied was 12·23, and the average stay of each patient 16·53 days as compared with a daily average of 13·59 for 1938.

IMPROVEMENTS.

During the year various improvements have been made to the Hospital, principally to the Barwick Street entrance by means of cleaning and re-pointing the brick-work and painting the walls, wood and iron work.

An additional bedroom has been provided for the use of the resident Medical Staff. There are now three House Surgeons

residing in the Hospital, instead of two as previously, thus adding to the efficiency of the Hospital.

In addition the Hospital has been kept in a thorough state of repair during the year.

AIR-RAID PRECAUTIONS.

The Committee at some considerable expense have provided air-raid shelters for the staff and patients at the main Hospital and Recovery Home, and also for the protection of the Nursing Staff at the Nurses' Home. In addition other precautions have been effected as recommended by the Ministry of Health. They also desire to place on record their appreciation of the aid rendered by the Harborne Golf Club on the outbreak of war, in supplying sand, and assistance in filling sand-bags. This enabled our precautions to be made promptly and effectively.

FINANCE.

Reviewing the Income and Expenditure Account, the ordinary income for the year was £16,783 14s. 6d. and the ordinary expenditure £16,667 9s. 8d. Full particulars of the above figures and of the Income and Expenditure on Special Accounts will be found in the financial statements. The Committee, whilst appreciating the financial support at present received from neighbouring districts, beg to draw the attention of the residents of these places to the fact that this support is far short of the cost of treating the patients from such districts, and they trust their appeal for more generous contributions will not be in vain.

The Committee acknowledge with gratitude the following legacy received during the year :

The Executors of the late :	£	s.	d.
Mr. G. F. Spittle	506	6	3

The Committee desire to record their appreciation and thanks for the valuable help rendered to the Hospital by the annual subscribers, donors of money, and gifts in kind. During the year annual subscriptions received amounted to £1,126 1s. 1d., as against £1,197 18s. 10d. in 1938.

A large number of subscribers have availed themselves of adding to the value of their gifts without further cost to themselves by adopting the scheme whereby the Hospital may obtain a refund of Income Tax. It is hoped that this method of helping the Hospital will commend itself to all subscribers, as thereby the income from subscriptions can be increased considerably without any additional expense to the subscriber. To obtain the benefit of the scheme a subscriber has to agree to pay his subscription for a period of seven years. Full information will be found on page 47.

BIRMINGHAM HOSPITALS CONTRIBUTORY ASSOCIATION.

The amount received from the Birmingham Hospitals Contributory Association (which included the **Birmingham Hospital Saturday Fund** contribution) during the year was £11,225. The Committee acknowledge with gratitude this vital contribution to the Hospital's income, and wish all concerned with this splendid organisation every success in their efforts to secure financial support for the voluntary hospitals of Birmingham.

The Committee also desire to extend their appreciation and thanks to the firms and individuals who have been responsible for the collection of funds, as they realise that the substantial financial assistance afforded to this Hospital is in great measure due to their efforts and support.

One of the most useful auxiliary services of the Birmingham Hospitals Contributory Association is the Ambulance Service, and the Committee cannot speak too highly of this branch of their activities.

BIRMINGHAM HOSPITAL SUNDAY FUND.

The Committee are most grateful to the Hospital Sunday Fund Committee for their grant of £110 7s. 1d. to the funds

of the Hospital. Thanks are also tendered to the clergy and ministers and to the church officers and congregations for the excellent response to the annual appeal, and for their continued interest in the well-being of the hospitals in the city.

HOSPITAL COUNCIL SUNDAY ENTERTAINMENTS CHARITABLE FUND.

The Hospital received a welcome addition to the funds by the receipt of a grant from the above fund of £259, and the Committee offer their grateful thanks to all concerned.

MANAGEMENT.

Mr. G. C. King was elected Chairman and Mr. A. M. Thompson Vice-Chairman of the Committee for the year.

HONORARY MEDICAL STAFF.

The Committee again express their appreciation and thanks to the Honorary Medical Staff for their unremitting care of the patients and attention to the interests of the Hospital. This appreciation, the Committee are sure, is shared by the patients and the Governors.

Mr. A. J. Moffett, M.B., Ch.B., F.R.C.S. (Hon. Assistant Surgeon), and Col. R. A. Broderick, M.B., Ch.B., B.D.S. (Hon. Consulting Dental Surgeon), have been granted extended leave of absence during their period of military duty.

OBITUARY.

It is with deep regret that the Committee have to place on record the death of Sir William Waters Butler, Bart., a Vice-President and generous benefactor to the Hospital for a number of years.

The Committee record with deep regret the deaths during the past year of three former colleagues :

1.—Mr. Bradford L. Goodman, who had been a member of the Committee for the past twelve years, and had rendered extremely valuable service to the Hospital.

2.—Mr. Howard Heaton, one of the trustees of the Hospital, and for many years a valued member of the Committee.

3.—Mr. T. W. Day-Broughton, who had given great help to the Hospital as a member of the Committee.

Since the end of the year the Hospital has sustained a great loss by the death of Mr. W. Glegg (Honorary Consulting Surgeon). Mr. Glegg rendered extremely valuable service as an active member of the Medical Staff for a period of twenty-seven years.

LADIES' LINEN LEAGUE.

Special mention must be made of the Ladies' Linen League, which materially assists the work of the Hospital by supplying bed and other linen. The League is a most valuable asset to the Hospital, and the efforts of the members are much appreciated.

LADY VISITORS.

Thanks are due to the lady visitors for their personal interest in the Hospital. Their kind help and suggestions are much valued by the Committee.

APPOINTMENTS.

The appointments of House Surgeons during the year have been filled by Dr. D. K. Rao, Dr. W. Mirkin, Dr. H. Andrews, Dr. E. Kaplan, and Dr. E. J. Fitzpatrick, who have performed their duties to the satisfaction of the Medical Staff and the Committee.

The Committee desire to extend to all generous friends who have from time to time contributed gifts for the comfort of the patients, their sincere appreciation and thanks. (See page 33 for list.)

In conclusion, the Committee desire to record their appreciation of the services rendered throughout the year by the Matron, Secretary, and the Nursing and Office Staffs of the Hospital, and for their assiduous attention in carrying out their duties.

By order of the Committee,

G. C. KING,
Chairman.

REPORT OF THE MEDICAL COMMITTEE FOR 1939.

The Medical Committee beg to submit the following report to the Governors for the year 1939.

During this past year the number of beds available has been ninety-eight, making the Hospital the largest of its kind outside London. These extra beds, acquired through our Extension Scheme, have enabled us, not only to cope with all emergency operations, but at the same time to reduce considerably the waiting list of the less urgent cases. Although our Casualty and Out-Patient Department is a very large one, we have been able, with occasional exceptions, to admit any out-patients requiring urgent treatment.

The appointment system for seeing old out-patients has been in operation and works smoothly and is greatly appreciated by the patients. This, however, has had to be discontinued since the beginning of the war for various reasons.

The Hay Fever Clinic has been continued, and a Hearing Aid Clinic to give advice to the severely deaf has been formed, and found generally useful to all concerned.

The Private Wards are fully occupied and have been of great assistance to the patients and Medical Staff.

F. BRAYSHAW GILHESPY, Chairman.

C. L. WALKER, Hon. Secretary.

BED ENDOWMENTS

It is greatly to be regretted that there are so few Endowed Beds at this important Hospital.

There is no better or more appropriate way of perpetuating the memory of a departed relative or friend than the Endowment of a bed. It is the highest form of benefit conferable upon the Hospital, as it ensures a perpetual income for the carrying on of a good work.

£1250 will endow a Bed.

£500 will endow a Cot.

PRESENT PRIVILEGES

DONATIONS.

£25 0 0 Constitutes Life Governorship.

ANNUAL SUBSCRIPTIONS.

£1 1 0 Constitutes Annual Governorship.

Life Governors and Annual Subscribers may allocate their contributions towards the maintenance charges of any patient they wish to recommend for treatment.

Increased Annual Subscriptions are earnestly invited from the Governors and all friends of the Charity, so that the whole of the available Ninety-eight Beds, for which there is great demand and urgent necessity, may be continuously maintained.

Cheques to be crossed "Barclays Bank Limited." Cash may be paid into any of the *Branch Offices* of the Bank for the credit of the Account of the Hospital at Birmingham.

Subscribers to the Birmingham and Midland Ear and Throat Hospital will be interested to know that, **without any extra cost to themselves**, every guinea they contribute may be increased to £1 13s. 7d.

Charities are entitled to recover Income Tax on subscriptions received and all that is required is that the donor should agree to spread his contribution over a period of seven years. This additional benefit arises from the provisions of Section 20 of the Finance Act, 1922. It should be pointed out that **no extra trouble to the subscriber is involved by this method**.

The sum named in the Agreement can, of course, be for any amount according to the wishes of the donor, and the following examples illustrate the great benefit to the Hospital of this scheme. The Agreement is terminable by death, so that your estate would not be liable for subsequent payments.
